# Sonus faber®

For a limited time, get back the full retail value (at time of purchase) of your existing pair of speakers\* (any brand) when you trade them in and purchase a pair of NEW Sonus faber speakers\*\* from an authorised Sonus faber Retailer.

**Offer ends 15 November 2023.**

## IMPORTANT TERMS & CONDITIONS (PLEASE READ)

\*The pair of speakers traded in can be from any brand; proof of purchase in the form of an original invoice/receipt must be provided.

\*\*The new Sonus faber pair of speakers you wish to purchase must be at least 2.5 times the value of the pair of speakers you want to trade in.

Example: If a pair of speakers being traded in originally cost you £1000/pair, to be eligible, the NEW pair of Sonus faber speakers you wish to purchase must be RRP £2500 or higher. You will then trade in a pair of speakers to the authorised dealer, and £1000 will be taken off the price of the NEW Sonus faber speakers being purchased.

\*\*It is your responsibility (the customer) to ensure the pair of speakers being traded in arrives at the dealer safely and undamaged unless alternative delivery/collection arrangements have been agreed with the dealer.

\*\*The pair of Sonus faber speakers you want to purchase must be NEW, unopened and at the full original retail price.

\*\*Offer applies to the following current Sonus faber Collections only: Sonetto, Olympica Nova, Heritage, Homage and Reference.

\*\*A participating Sonus faber dealer reserves the right to deem a customer's pair of speakers not eligible as a trade-in for the Trade Up Programme.

\*\*Promotion runs from: 15/09/2023 - 15/11/2023.
